6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice.

The Board of Management of Carbury School respects the rights of the existing school community and the pupils already enrolled. Consequently, the Board of Management reserves the right to determine the maximum number of places being made available in each class, giving due consideration to the following issues:

- Health and safety concerns regarding children and staff.
- Available classroom space.
- Educational needs of the children.
- Presence of children with Special Educational Needs (SEN).
- Department of Education class size directives.
- Appropriate support and resources available.
- Child protection.

Where the number of students seeking admission to the school is greater than the number of places being made available by the school, the following selection criteria will apply (in order of priority):

Selection Criteria:

1. An Applicant Student who is a member of the Church of Ireland, Methodist, Presbyterian, or a Protestant reformed church or is a member of a minority religion which has the same religious ethos, or a similar religious ethos to the programme of religious instruction/education which is provided in the school and who lives

within the boundary of Sligo parish union (proof of address is required in the form of a recent utility bill or similar).

2. An Applicant Student who is a member of the Church of Ireland, Methodist, Presbyterian, or a Protestant reformed church or is a member of a minority religion which has the same religious ethos, or a similar religious ethos to the programme of religious instruction/education which is provided in the school and who lives in the Church of Ireland parish outside of the Sligo union of parishes (proof of address is required in the form of a recent utility bill or similar).
3. Children of permanent staff members of Carbury School (two years of service required).
4. Children who are siblings of pupils who attend the school currently or children who are siblings of pupils who graduated from the school within the last three years.
5. All other applicants who have applied.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

In respect of Priority categories 1 and 2 above, the Applicant must provide the following documentation with the application form in order for the application to be complete, as the School must satisfy itself that the Applicant Student is a member of a minority religion and that it provides a programme of religious instruction or religious education which is of the same religious ethos as, or a similar religious ethos to, the religious ethos of the minority religion of the Applicant Student.

1. A statement from the Applicant confirming that:
 - (i) the Applicant Student is a member of a minority religion
and
 - (ii) the Applicant wishes the Applicant Student to be educated in a school that provides a programme of religious instruction/education which is of the same religious ethos, or a similar religious ethos to, the religious ethos of the minority religion of the Applicant Student.
2. Evidence from the Applicant to support the statement that the Applicant Student is a member of the minority religion. This evidence will consist of:

 - a baptismal record issued by the relevant minority religion which confirms that the Applicant Student has been baptised/admitted as a member of the minority religion.

Where oversubscription occurs in any one of the above priority categories, priority will be given within the priority category (and only in that priority category) to Applicant Students, who have siblings currently enrolled in the School ("Sibling Applicant Students").

Where the number of Sibling Applicant Students in such a priority category, exceeds the available number of places, the remaining places will be allocated to Sibling Applicant Students using a lottery system.

Where the number of Sibling Applicant Students in such priority category does not exceed the number places available, places will be allocated to siblings in that category in the first instance and the remaining places in this category will be allocated using a lottery system.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (where the number of applicants exceeds the number of remaining places), but there are no siblings in that category, places will be allocated using a lottery system.

Where the Applicant Students in a category are not successful in achieving a place, their names will be placed on a waiting list in the order in which such names were drawn in the category.

Applicants will be informed of the Applicant Student's place on the waiting list as it applies in the particular priority category.
